## Principal's Message

By Stewart Gaffey

This week, of course, brings a close to our 2017 school year. We have had a very exciting and successful educational year at Maraylya Public School.

As we heard at presentation night, there is much to be proud of through the variety of educational programs that we, as a small school, offer our students. Our staff have worked tirelessly to ensure the best for our students in all facets of their education but I must say, we are all looking forward to a break, as are you and your children. Merry Christmas everyone!

Tonight will also mark the end of a special chapter for our school through the farewell of our most senior students. We all enjoyed a wonderful presentation last week, witnessing their journey from baby to independent young ladies and gentlemen who are ready for the challenges and opportunities waiting for them in high school and beyond.

My very best wishes to this brilliant group whose energy, creativity, intelligence and maturity will long be remembered. We hope that they will come back and visit one day in the not too distant future.  
 Farewell Year 6!

### We want your feedback - SWOT Analysis

Maraylya Public School is a great little school but we want to be more than that. At MPS, we truly want and aim to be the best school for your child and their education in preparation for life beyond these gates in the 21<sup>st</sup> Century. In order to achieve this goal, we need your feedback.

We want to know your observations of our **strengths, weaknesses, opportunities** for improvement **and threats** to our success. Please complete this survey form and return to school at your earliest convenience. This information is incredibly valuable in terms of our next round of planning. We will then formulate our school plan and communicate our strategic directions early in the new year.

This is in addition to the TTFM survey already collected and an upcoming Survey Monkey being forwarded in the coming weeks.

Thank you for your time in this important endeavor for our school.

### Mini Fete

Our Year 6 Mini Fete will take place on Tuesday 12<sup>th</sup> December at school. For those unfamiliar with the process, our senior students organise a whole school fete event between recess and lunch, supplying and running all of the activities for the rest of the student body.

Students prepurchase a book of ten tickets which can be used instead of money at each stall offered. These funds are used towards the Year 6 Farewell Evening and a parting gift to the school.

Tickets will go on sale later next week, \$7.00 for a book of ten tokens. These tokens when used will go into a prize draw at the end of the day in which students can win a 'Year 6 Servant' for a day in the following week.

### Party Day

Notes have gone home regarding party day at the end of the year. Please be advised that costs have been kept to a minimum, with subsidised transport occurring to ease the burden on families. We are looking forward to a really enjoyable end of year celebration.

### Helpers' Morning Tea

On Wednesday, we held our Community Helper morning tea. All the teachers would just like to say a final "THANK YOU" for all your help in 2018. The community spirit at Maraylya PS is something we are very proud to be a part of. Thank you for all your time, effort and expertise that you have kindly donated this year to the school, out of your already very busy schedules. There are many 'jobs' the community takes on to make our school a very successful, exciting and positive place to be... from P&C, fundraising, canteen, classroom helpers, MULTILIT, dancing, DVD creation, transporting, BBQ-ing... the list is endless.

### Kindergarten Orientation

We've had 3 very successful Kindergarten Orientation sessions for our new students starting school in 2018. Our new Kindy's have spent time with their teacher, Mrs Mackenzie, meet their Year 6 buddy, got to know their class mates and been had their first introduction to 'big' school. They enjoyed using the "paint" program on the computers to create an artwork, playing with water, creating a 'magic hat' and completing activities in the classroom. We are looking forward to our new students joining the wonderful Maraylya PS community!

### Kindy Cool Kids Concert

Congratulations to Paxton, Lola, Helena, Anna and Skye on a successful year completing the music program through Cool Kids.

You performed your songs beautifully, parents and teachers were very proud of you! You are all budding musicians in the making!

Parents, please be advised that Book Club ordering & payment is done completely online by the parents. The school no longer takes payments or orders for Book Club.

Books are sent home with the student on arrival or collected at the school.

Thank you

### Scholastic Book Club Ordering –

please note that when ordering from Scholastic Book Club, if the books you are ordering, are for a present and you do not wish for your child to bring them home, there is an gift option box which you will need to tick on the screen to indicate that the books are for a gift. This information will then be entered on your child's book club packing slip for the office staff to see and you will be notified that the order has arrived for your collection.

### MPS Equestrian News

Remember ..... Any families wishing their child to take part in representative equestrian events in 2017 should have their names recorded at the front office with Mrs Carrington or Mrs May. Risk must be then assessed appropriately and permission granted through the school. Representation in these events, like any other sporting representation, must be at the discretion of the school.

**Absence exemptions from school can only be considered if performing at an elite/ national level.**

## RED Reading Folders

The R.E.D (Read Every Day) reading folders have been introduced to all students in K-2. This folder is a part of your child's nightly reading homework. By reading with your child as often as you can and asking the provided questions, you will promote and practice fluency and comprehension skills to support their reading journey.

Each night, read the book in your child's reading folder. This is a book set by the teacher at an appropriate level. Ask 3-4 questions from the list provided. Keep practicing until your child can read the book fluently, then return it to their teacher. Teachers will then listen to your child read and provide a new appropriate book for your child to practice. If the book is too difficult, please return it for another. Teachers want to ENCOURAGE and foster a love of reading in our students.

# Why read 20 minutes at home?

Student A Reads	Student B Reads	Student C Reads
20 minutes per day	5 minutes per day	1 minute per day
3,600 minutes per school year	900 minutes per school year	180 minutes per school year
1,800,000 words per year	282,000 words per year	8,000 words per year
		
Scores in the 90th percentile on standardized tests.	Scores in the 50th percentile on standardized tests.	Scores in the 10th percentile on standardized tests.

If they start reading for 20 minutes per night in Kindergarten, by the end of 6th grade, Student A will have read for the equivalent of 60 school days, Student B will have read for 12 school days, and Student C will have read for 3.

## Want to be a better reader? Simply read.

**Wellbeing and PBL (Positive Behaviour for Learning)** our students have continued to maintain a positive atmosphere in the playground. Staff are continuing to follow-up on the lessons taught in 2016, asking students to think about what safety, respect and responsibility looks like in particular areas.

### Current PBL focus – ‘Back Field’

Students are still reminded of the processes for loaning sports equipment and the appropriate use of this on the back field.

Also, students are reminded about safe play with older/ younger students in organised games and the associated rules of play. Conflict resolution is also highlighted.

We recognise that there will always be small issues amongst students. Please encourage your child to talk to their teacher or principal if they have any concerns in regards to social interactions in the school.

If this is not appropriate, please make contact with the school as soon as possible so smaller issues can be attended to before becoming bigger.

Staff take great time and care in working to ensure that students feel happy and secure at school.

## CLASS NEWS

### KINDERGARTEN

Congratulations to all the Kindy students who took part in the Handball Competition. It was great fun, with Brodey and Xavier making it to the final! It was a close game, with both boys displaying amazing skill, speed, agility and sportsmanship. Well done to our overall winner, Xavier!

This fortnight Kindy have continued to work hard and are still making extremely pleasing progress in reading, writing and number. We have been playing "Around the World" – a maths game, where we practise rapidly adding or subtracting numbers rolled on dice. Kindy are progressing in leaps and bounds and are consolidating these skills on Mathletics Live.

I would like to thank the parent helpers who have come into the classroom to help with reading groups this year... your support has been invaluable.

Finally... what an amazing year it has been!

I am truly proud of their academic achievements, particularly in reading, writing and maths. They have come so far – making new friends, working and playing co-operatively, developing self-control and independence, communicating feelings and ideas... the list is endless!

It has been a tremendous privilege to be your child's Kindergarten teacher; to guide and support them as they learn, laugh, grow and play in their first year of school. I hope you and your child have many positive memories to share from Kindergarten, as do I.

I am looking forward to watching Kindy continue to progress next year and beyond. Thank you for a wonderful year!

## YR 1

The end of year festivities are fast approaching and Year 1 are tired. Sorry, I really they will grizzle a little at the end. We have continued reading about the Three little pigs. We read the original story, watched the Disney animation (with music) and read 2 new books. The Real Story of the Three Little Pigs and The Three Little Wolves and the Big Bad Pig. We all really enjoyed the new books but especially enjoyed The Three Little Wolves and the Big Bad Pig.

Thank you to everyone who came in to help through the year as a reading helper, covering books and excursions. Your assistance was greatly appreciated.  
Maths: We have become very clever, practising counting off the decade (7,17,27,etc) all the way past 100 and then counting backwards off the decade.

Our maths game this week has been journey to the moon. We roll 2 dice, add together then find that number. Everyone is becoming very confident to add 2 numbers using the 'Counting On' strategy. Some of us are even answering worded problems.

I will leave with our new class member Guff Glitter. He appeared last Friday and is here from Santa.

## YR 2/3

What an amazing year class 2/3 have had . They have been a wonderful class and I thoroughly enjoyed teaching them. They have been inspired by many books we have read in class. One particular book that stood out was 'Tears in the Jungle'. The class took this challenge on to save the orang-utans and make others aware of palm oil and cerebral palsy. Through posters, power point presentations, speeches to the P&C, palm oil free popcorn and a walkathon to name a few. This unit linked into mathematics, geography and visual arts. It all culminated with the class featuring on the Tears in the Jungle website.

Thank you to all the parents for their support and help in all areas this year.  
Wishing everyone a Merry Christmas and a Happy New Year.

## YR 3/4

What an amazing year it has been in 3/4! Cannot believe this is the last newsletter for the year!

This week has seen 3/4 finishing off all our units of work, experiments and projects. We have been finishing off our class novel of “George’s Secret Key To The Universe” and have been having deep class discussions about the facts learnt, questions regarding character motives and how Stephen Hawking has added his specialised knowledge about Space to create an exciting narrative.

3/4 conducted their final science experiment where they measured the length and noted the direction of shadows during the day and when the shadows were at their longest or shortest. Ask your child what their findings and results were – some predicted the outcome and others were very intrigued by the data.

We are finishing off our Australia’s neighbouring countries brochure by using pictures and information sources from books and the internet. The students have really enjoyed their student-led research project and adding their own personal flair to their presentation of their brochure. Well done 3/4! You are a bunch of hard workers!!!

Thank you to all of the wonderful parents from 3/4 who have helped in any way or form this year – your generous help and time are much appreciated – so thank you!

I wish you all a wonderful Christmas and an enjoyable break over summer. I am so proud of each and every student in 3/4 and I wish them all the very best in 2018.

See you all next year!!

So many memories made in 3/4!!!!

## Farewell messages from Year 5 to Year 6...

Dear Year 6, I hope you have a good time in high school, make new friends, and have fun. My favourite memory of you guys is when we all play sport together like bin cricket and Ty sport because we get along so good together.

From Annabel.

Farewell Yr6. It was a great pleasure to spend Year Five with you. I wish you could stay longer. You have been great role models and this year shall be truly memorable thanks to you. I don't know what we will do without you here. Farewell and good luck. I hope to see you all again someday.

From, Anne

Year 6s, I wish you all well in high school and the new chapter ahead for you guys. I don't know what high school's like because I've never been. You all will succeed in high school and the future years to come. Just don't forget this school lots of memories were made, like the Canberra snow trip, snow balls, snow blizzard and lots more. We'll all miss you.

By Caitlin.

Good luck Year Six. You all played a massive part in this school. Any school would be lucky to have you and we are one of the luckiest schools in Australia. To have 15 wonderful people like you WOW. Best of luck for when you wander off into high school. We all want you to make the best of memories and friends. We will remember you all. We all just want you all to know that you were a funny, independent and fantastic bunch of buddies through all the 7 years you were here. Goodbye and farewell.

Dear Year Sixes,

I hope that you all do well, find new friends and be happy in high school. I'll miss you all soooo much and I hope that you have lots of memories from Maraylya to take with you to high school.

By Chelsea H

Dear Year Sixes

Farewelling you to another chapter of your lives will be hard for Maraylya but you have to go. You will make new friends but you will hopefully remember all of us at Maraylya. We've only been in your class for one year but we have already noticed how nice, caring and respectful people you all are. So when you go to high school take all your skills you have learnt at Maraylya over the past years and stand out from all the others because you are still a Maraylian to all of us still at Maraylya.

From Caleb

Dear Year 6,

I hope you guys have an awesome time in high school and make new friends. We will all miss you guys. I have had a lot of fun with you in 5/6 with all the really bad jokes. This year was really fun. Farewell Year 6.

from Gabby

Good Luck Year 6 in High school. I hope you have fun and make new friends in high school. I hope you guys start an amazing new chapter in your life. As i said, before good luck.

By Hugo

Dear Yr6

Thankyou for a wonderful year and I hope you have loved it here at Maraylya Public School. Good luck at high school and we wish you all the best. You have being a role model to me since I started school. Thank you for the best year.

By Jacko

Dear Year 6,

I hope you guys have an amazing time in high school and it has been fun spending time with you guys this year. All the things you have done throughout the year have been so helpful to everyone in the school and everyone appreciates your hard work. Farewell, you are all amazing people.

From Jessica

Everyone in Year 6 is great. You were perfect role models for all other kids in the school. I hope you have a fantastic time in High School! Everyone in Maraylya Public School will really miss you.

P.S: You are awesome 😊

-Jonah

Hope you have enjoyed Maraylya public school and good luck at high school and have lots of fun. Thank you for a wonderful year. You year sixes have been great to work with and we have all had fun with you this year. Hope you have fun at the farewell

BY JUSTIN SULTANA

Dear Year Six

You guys are the best role models at Maraylya Pubic School and I wish you fabulous people could stay but you have to move on to high school. I hope you grown up people have the best time at high school and do your best that I know you will. I hope you incredible Maraylyans enjoy the Year Six Farewell.

By Kate

## Year 6 Highlights...

One thing I loved from this year was an hour in the snow. Sean and I dug a hole and took cover from the hail. We throw snow balls everywhere but we got hit a few times. After that Sean and I broke little icicles and ate them. I hope everyone has a great time in high school.

Ben

## CAMBERRA SNOW TRIP

My favourite part of the Canberra snow trip was when we went to the snow. I was sliding down a massive hill and then I saw Ryan I was going too fast to stop I hit Ryan and we rolled and rolled for about 3 seconds and then it stopped I and Ryan couldn't stop laughing. By Alex

My favourite memory is when year 5 and 6 went to Canberra snow trip.

The best bits are when everyone's friends were all together and met new people on the bus. When we were in the bus it took us a long time to get to the snow. Everyone on the bus watched a movie on the way.

We caught the train up the mountain and after played in the snow. We all had a snowball fight. And after a little we spelled M.P.S in the snow. I enjoyed going to the snow, I wish to do it again.

My most memorable moment is when year 5 and 6 went to Canberra Snow Trip in 2017. I enjoyed the snow the most because it was the first time I have ever gone to the snow and you could throw snow balls at your friends and roll in the snow. Sean and Ben were eating the ice from little buildings.

We caught a train on the way there and back to get to a snowy area to play in the snow. It was great fun and I would love to go to the snow again with year 5 and 6 to Canberra Snow Trip.

My most memorable moment of Year Six was going to Canberra and the snow. At the snow I got in countless snowball fights and tackles with Ethan and Ryan just before we ambushed Mr Gaffey with snowballs. It was also fun diving down the snow hill while the snow was smacking against our face making it sting. The things I will miss most about this school are the friends, teachers and experiences with Maraylya Public School. Wishing everyone a great time in high school and farewell.

Jack D

My favourite Year 6 memory is when we went to Canberra. My favourite part of camp was going to the snow for the very first time! Everyone was throwing snowballs and even snow rocks at each other. We all rolled down a steep hill, but not everyone made it all the way down.

Chelsea was making a snow angel and I was throwing snowballs at people. When I threw one it hit Chelsea in the face while she was making a snow angel!

It was lots of fun going to Canberra and I hope I can go again soon!

Sorry Chelsea!

By Mackenzie

My yr6 memory would be the Ty water day. I had the ice bath it was so cold. Everyone got so wet when Ty would throw balloons at us and the teachers would blast us with the water cannon. I will miss this school with all the parents, teachers and of course the students.

Year six highlight would be going to the regional cross country to compete as well as getting to compete I also to look at the strange bendy track we had to run on. The run was properly my favour thing I have done in all my school years. The things have had this year has been a lot and it is all thanks to the school I have been going to since kindergarten I will miss this school

Sean

My favourite moment was when Sianna fell over when she went to go grab the handball. It was a stormy day when someone hit the handball out of the COLA area. Sianna ran to go get the handball but she tripped on a stick instead of getting the handball. When Sianna came back she acted like nothing happened but everyone knew something happened. In the end everyone was laughing and Sianna had dirt all over her dress.

By Madi

## Year 6 Memory

My Year 6 memory is when we had a Ty water day last week at everyone got absolutely soaked. At the beginning all of the school captains and sports captains had to sit on the seats at the front and when one person got wet, all of the people around them get wet. Ty had set up water guns, buckets of water to tip on people, water balloons, and an ice bath. At the end Ty picked me to wet someone, I chose Jonah, I ended up picking an ice bath for him and I don't think he enjoyed it!

My favourite memory in Year 6 is when we were playing Ty sport a few weeks ago and we were doing water games. It was girls vs boys volleyball with water balloons. Us girls lost a round so Ty came around wetting us with a water spray. When it was close to me I started to back away. Then when it was my turn, I started running but Ty unfortunately got me and I felt like he wet me more than the other girls, but it was still fun! I will miss the school heaps when I leave. Thankyou for making the past 7 years very enjoyable and exciting.

Hayley

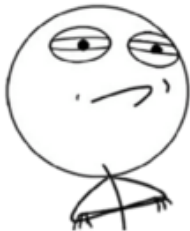

My most memorable moment is when we were playing soccer and Madi had a 'random gravity check'. We were out at lunch playing our usual game of soccer when Madi was running and thought that the ground looked sad, so she gave it a hug falling right from the sky. She then claims that she was worried the gravity was failing so she did the BEST random gravity check ever!!

I wish everyone a great holiday and I hope all the Year 6's have a great time at high school and all stay in contact. Thank you to our wonderful community, the best teachers and the most might Maraliens, anyone could ask for.

Madi before she fell.

And the result of her traumatically funny experience. ☺

**CHALLENGE ACCEPTED**

My Yr 6 highlight was last year's mini fete. I did the crossbar challenge with Christian and Ryan. The best part about it was when someone was trying to hit the crossbar it came back and hit them right in the face, Christian was laughing and then the person who was kicked in the face kicked the ball at Christian and got him in the back of the head. This year was good but last year was better because I liked not being the top of the school.

My year 6 highlight would be winning The 2017 Maralyan Ashes. For the last week or 2 of school we have been playing The 2017 Maralyan Ashes. We played 3 games and in the first game we won 81 to 37. The second game we won 114 to 31 and the third and final game was closer but we still won 100 to 73. I will always remember the school that I won my first ashes in.

## Canteen News...

Rachel and I would like to Thank EVERYONE who has supported us while we manage the canteen over the last few years.

As you all be aware, we will not be running canteen next year and we have been desperately been looking for someone to take over from us.

No one has come forward as yet (there is still time to step up) . For the canteen to remain open in 2018 it will be going through the tender process. This could potentially mean that there will be NO canteen for a while when school resumes in 2018.

With that in mind we are depleting our canteen stock so we may end up running out of items next week.

We will check with the children on replacement items if this applies to your child.

On Friday 15th we will be selling off all food items in canteen at CRAZY prices..

Thank you again it has been a wonderful experience to be part of this great team of woman.
